

KCA President's Report

We have had a challenging and exciting year. A special thank you to Rick Gibson and Lynda Scrivner for their leadership in working on turning our membership around. We have a total of about 460 members. Of that number over 100 are new members!

Nikki Currie, for her detailed work on policies and procedures and keeping the mentoring program alive! Carol Dellinger, for organizing the 3 drive in conferences which provided a special service to over 70 of our members. Rosanne Haberman, for her work and tireless effort to provide our membership with an outstanding convention. Deb Woodard, for taking the initiative in getting our awards program to a higher level and leading a vitalized awards committee. Patricia Walker, for keeping our books and holding our feet to the fire and seeing us through some difficult financial times. Suzie Turner, for dealing with long meeting and taking reams of notes so our meeting can be orderly summarized. Carol Hoheisel, for agreeing to help organize students and keep their interest alive and growing. Others of you who worked on committees, worked to keep our regions and divisions alive, and lead us in team building activities. All volunteer effort for the sake of promoting counselors and the counseling profession in Kansas. It has been a pleasure to work with a great team.
